KHANDRA COLLEGE

(Assessed and Accredited by NAAC (2nd Cycle)

About us:

Khandra College, a co-educational institution imparting higher education, is located at Khandra, Dist. Paschim Bardhaman, West Bengal (Lat-23° 06' 33" N & Long-87° 22' 0" E). The college was established in 1981 under the leadership of late Amalendu Bakshi, a local Philanthrope, to cater higher education among the boys and girls of the surrounding area. The primary motto was to set up a minimum infrastructure for imparting higher education to young students who were mostly first-generation learners coming from economically backward strata of the society. The effort was soon acknowledged by the Government of West Bengal, and in the year of its inception the University of Burdwan accorded affiliation to the college as a co-educational institution for higher studies.

The Academic activities of the College were inaugurated in 1981 with only B.A. General course of studies in Bengali, English, History, Philosophy, Sanskrit, Political science and Economics with few students. In 1985 B.com General course was introduced, and 1996 onwards Honours Courses of studies in the aforesaid disciplines were made accessible to the students.

The College, which was born an unknown sapling upon the mining crags of Ukhra and Andal, far away from the glitter of the metropolis, may now boast of holding fourteen Major Courses of studies in its branches by the side of twenty Minor courses of studies to enrich its foliage. This has become possible as a consequence of the combined efforts rendered by the Teachers, the Students, the local people and each and every staff member of the institutional family.

Khandra College received its Assessment and Accreditation by NAAC for the First Cycle in the year 2007. Our efforts were once more acknowledged when we received accreditation by NAAC for the second cycle in 2018. Now we are looking forward to a newer dimension in our attempts to embrace the NEP 2020 guidelines in imparting Higher Education to our students through various academic, administrative and co-curricular activities.

Our Vision

- *Tamaso majyotirgamaya*- "Lead us from Darkness to Light".
- To empower students from all sections of society through holistic education centred on academics.
- To instil in our students moral values, discipline and dynamism along with imparting quality education.
- To sustain the rich legacy of excellence of the college.

Our Mission

- To impart quality education to students from backward classes, and first-generation learners from economically challenged backgrounds, thereby encouraging inclusive growth.
- To enable the young men and women to appear at competitive examinations where a Bachelor's degree is the minimum requirement.
- To provide an ambience that makes our students ethically strong and professionally competent, and contributing thereby to a healthy and prosperous society.
- To encourage innovative thinking and creativity and inculcate research skills in our students.

Our strength:

Developmental activities

- Making the campus a plastic free zone.
- Taking care of plants in and around the campus and creation of a garden of medicinal plants.
- Waste zone at the back of the College for dumping litter and garbage
- Mechanism for rain water harvesting

Cultural activities

- Bidding farewell to pass-out students with medals and certificates.
- Identifying each Academic Department after the names of eminent personalities.

Administrative and extension activities

- Using licensed software in the office and library of the College.
- Installing vending machines for supplying sanitary napkins to the female students.
- Online admission as per the directions of Government of West Bengal
- Anti-ragging cell
- Provision for first-aid for students
- Departmental library
- MoU with NGOs

Activities related to students' progression

- System for extending financial support to needy and eligible students through Aid Fund and Scholarships.
- Public address system
- Provision for mock-tests for job-seekers among the students
- Fully automated library
- Computerised accounting system

Infrastructure and Learning Resources :

- Adequate number of class rooms

- Wholly computerised management
- Fully computerised laboratories
- Provision for indoor and outdoor sports
- Gymnasium
- College canteen
- Separate Common Rooms for male and female students with toilets.
- Smart classroom to provide ICT-enabled teaching to the students
- Ramps for differently abled students
- Central library and departmental libraries
- Wi-Fi
- 24*7 CCTV surveillance

Institutional values and best practices

- Educating students about gender equity through several addresses by the Principal and the faculty, throughout the year
- Organising several lectures on social impact of gender equity by eminent resource persons during NSS Special Camping Programmes.
- Grooming of students to assist differently abled co-learners in the field of academic and co-curricular activities
- Installing solar power plant and LED bulbs to promote environment sustainability\
- Maintaining a waste free camp through dumping waste into boxes/ bins
- Discharging rain water into the College pond for a steady source of water throughout the year.
- Lush green campus
- Displaying placards inside the campus in adequate numbers to create awareness against the uncritical use of plastic

From the Desk of the Principal

Dr. Pinaki Ranjan Bhattacharyya

A student is an ambassador bearing the insignia of the Institute throughout his life. Keeping in mind this philosophy, Khandra College always welcome a student to understand today's realities of life and makes an all-round effort to hone the skills of the young talents continuously during their association with our College and thereafter as well.

Our College always encourages a student not only to learn but also to make others learn through dissemination of knowledge, using the vast library database, computer laboratory and continuous faculty support. The Colleges strives to create a healthy relationship between the Academia and the Industry. The commitment commences from admission and continues sometimes, even after passing out of the students' handholding them for entrepreneurial activities to make the student not only a job seeker but a job creator in their life. Our motto is to make them self-dependent and contribute in creating a sustainable society. Apart from classroom teaching, the College also encourage students to participate in organising seminars, workshops and interact with Industry doyens to create a symbiotic relationship with education through continuous interaction.

I welcome you to be a part of this success story and carve out a niche for yourself.

Aggendum 07:

In accordance with the previous IQAC resolution no. 4 dated 12.11.22, the feedback has been analysed and it has been noted that the overall ambience of the Teaching Learning and delivery is satisfactory and there is scope for improvement.

It is further noted that the following feedback are to be addressed:

1. Smart Classroom to be constructed
2. Department libraries to be strengthened
3. Leave Management System (LMS) can be linked with the ERP
4. Infrastructure – extra classrooms can be constructed
5. Internship and collaborative courses can be introduced
6. Life Skills and Social Skills courses can be introduced for the mentoring process
7. Mentor-mentee interaction to be strengthened
8. Auditorium for the college needs to be constructed
9. New faculty in the Department of Science and Media and Communication needs to be appointed
10. Innovative initiatives like organizing science fairs, etc can be conducted

Further resolved that the Teacher-in-charge shall be requested to place these recommendations based on feedback analysis in the next governing body meeting for the perusal and necessary action of the esteemed members.

Sub: Regarding placement of fund for Proposed Construction of auditorium at 1st Floor over existing Ground Floor of Khandra College.

Sir,

With reference to the above this is to state that the agency for construction of civil works has been selected through every procedure of e-tendering of this Zilla Parishad.

Now it is utmost necessary to deposit the fund according to the project cost of proposed DPR as per following before issuance of work order positively.

Sl No	Civil Works deducting the less amount as agency offered (In Rs)	Electrical Works (In Rs.)	Sanitary & Plumbing works (In Rs.)	Others departmental & Contingency charges as specified (In Rs)	Total (In Rs)
1	26,89,249.00	158751.00	158751.00	139701.00	31,46,452.00

This is for your information that any delay regarding the fund placement will turn the process delay to grounding the work as the model code of conduct will be imposed as soon as the General Election 2024 for the house of People declared.

Thanking you.

SCIENCE EXHIBITION

on

Science and its Applications

Dates: 20th & 21st JANUARY, 2024

TIME: 12 PM- 4 PM

**Venue: Science Block,
Khandra College**

PRESIDENT'S MESSAGE

Khandra College, despite several constraints, remains invictus in its journey to keep its head high as an educational home, accommodating almost two thousand youngsters every year for their higher studies. This General Degree College erstwhile affiliated to the University of Burdwan and now to Kazi Nazrul University, Asansol, is a fast growing co-educational institution which has already established its pan-Indian identity in the educational sector by successfully coping with the hurdles of two successive cycles of accreditation under NAAC, Bengaluru in the years 2007 and 2018 respectively.

While the College may legitimately pride in showcasing two (2) ISBN volumes under its banner, its academic activities continue to be inspiring, and the proposed science exhibition under the title *Science and its Applications* is only a glimpse of the journey undertaken by the Principal, the Faculty towards perfection. I do believe that the local philanthropes, educationists, business personnel and corporate houses will extend their gracious hands for the accumulation of funds required for a successful organisation of the programme.

I would thank the Principal of the College, Dr. Pinaki Ranjan Bhattacharyya for his initiative and would also congratulate the teachers, students and members of different statutory and non-statutory committees of the College whose help and participation are instrumental in conducting the present Science Exhibition.

I do convey my best wishes to the College as an academic unit and sincerely cherish the hope that it will be conducting with its endeavour in the process of teaching-learning as also in discharge of social responsibility in the years to come.

**Sri Moloy Ghatak,
President, Governing Body
&
Hon'ble Minister-in-Charge,
Government of West Bengal**

FROM THE DESK OF THE PRINCIPAL

Dr Pinaki Ranjan Bhattacharyya

A student is an ambassador bearing the insignia of the Institute throughout his life. Keeping in mind this philosophy, Khandra College always welcome a student to understand today's realities of life and makes an all-round effort to hone the skills of the young talents continuously during their association with our College and thereafter as well.

Our College always encourages a student not only to learn but also to make others learn through dissemination of knowledge, using the vast library database, computer laboratory and continuous faculty support. The College strives to create a healthy relationship between the Academia and the Industry. The commitment commences from admission and continues sometimes, even after passing out of the students handholding them for entrepreneurial activities to make the student not only a job seeker but a job creator in their life. Our motto is to make them self-dependent and contribute in creating a sustainable society. Apart from classroom teaching, the College also encourage students to participate in organising seminars, workshops and interact with Industry doyens to create a symbiotic relationship with education through continuous interaction.

I welcome you to be a part of this success story and carve out a niche for yourself.

MESSAGE FROM CO-ORDINATOR, IQAC

The Internal Quality Assurance Cell (IQAC) of Khandra College, since its inception in the year 2014, has been looking after several academic as well as administrative affairs of the Institution in order that quality in imparting education and transparency in administration can be maintained. We are privileged to claim the credit of launching two ISBN volumes under the banner of the College, and it is also a matter of prestige for us that the college now stands accredited for the 2nd Cycle by NAAC, Bengaluru. However, conducting a Science Exhibition is wholly a new-venture for us. The Governing Body, the Teachers' Council, the Teachers of the Science Departments and the general students of the Institution are to be thanked for collectively shouldering the responsibility of conducting such an ambitious project. We do hope that our students shall surely be enriched by such an educational endeavour, and this will also stand exemplary of our commitment to the neighbouring areas. We also harbour the hope to conduct many such programmes in near future.

Dr. Ashish Kumar Chakraborty
Co-ordinator, IQAC, Khandra College

MESSAGE FROM THE BURSAR

At the outset I would like to thank the Governing Body, the IQAC, the Teachers and the students of Khandra College for their unflinching zeal in conducting the present Science Exhibition titled *Science and Well-being: Glimpses of Some Popular Practices*. We do admit that our funds are limited. Over the past few years we received scanty funds from the UGC, the State Government and other authorities. This is surely a constraint upon us, but not so much as to hinder our esteemed faculty and young students from bringing to general light their academic potential. I do congratulate every stakeholder who has actively participated in the preparation of the souvenir and chalking out the general fabrics of the present programme. We strongly hold that some of our financial constraints may be done away with by the circulation of the souvenir among benevolent contributors, and we also believe that we shall be able to organise many such programmes successfully in the future from within our limited capacity.

Dr. Koustav Roy,
Bursar, Khandra College

ABOUT THE EXHIBITION

In today's world, when man is looking for life beyond the solar system and establishing satellite connectivity for greater ease in the transaction of daily business, it goes without saying that science plays a pivotal role in shaping and modulating the course of human activities. Still it is a pity that a great number of people in a developing nation like that of ours are still lagging behind in so far as a general awareness regarding scientific progress is concerned. It therefore becomes an inescapable responsibility of Higher Educational Institutions in India to demonstrate their commitment to the society by creating mass awareness of different progresses envisaged in science by the side of promoting formal education.

Keeping this tune in mind, Khandra College, located in a colliery region, far away from the benefits of the metropolis, decided to open Higher Educational courses in science 2014 onwards. Now we are having seven (7) academic departments in the science stream with well-equipped laboratories, academic infrastructure and qualified teachers committed to the well-being of the institution as an academic unit. While every year a number of successful students obtain their under-graduate degrees to add to our pride, we strongly hold that it is also high time for us to bear the signature of our greater commitment to the neighbouring community which is often found to be prone to illiteracy, malnutrition and deadly diseases owing to a lack of scientific awareness.

As proposed by the President of our Governing Body, Sri Moloy Ghatak, Hon'ble Minister-in-Charge, West Bengal, a Science Exhibition under the banner of the college is the need of the moment, and motivated by his undaunted spirit, the Principal, the IQAC and the Science Departments of Khandra College are now intent upon organising a two-day Science Exhibition in the College premises not only for the sake of giving a boost to the faculty and the students, but also to cater general science awareness among the common people of the neighbouring community.

The Exhibition will comprise chart presentation, sample display and on-spot experimentation including blood-group testing, measurement of blood-pressure and blood-sugar level, etc. We do hope that the young students of the neighbouring schools will take immense interest in the biological samples and on-spot experiments, while it will be beneficial for the elderly community as a means of a very primary health check-up.

We do acknowledge our debts to the Hon'ble President, the Principal, the Co-ordinator (IQAC), the Teachers, general students and every stake-holder of the Khandra College family who have shown their commitment to a successful organisation of the event. We shall deem our labours rewarded if we can succeed in creating a general awareness of science among the people of the neighbouring community, whose lives are invariably tuned to the College, and the College exists for whose sake.

ABOUT THE COLLEGE

Khandra College, a co-educational institution imparting higher education, is located at Khandra, Dist. Paschim Bardhaman, West Bengal (Lat-23° 06' 33'' N & Long-87° 22' 0'' E). The college was established in 1981 under the leadership of late Amalendu Bakshi, a local Philanthrope, to cater higher education among the boys and girls of the surrounding area. The primary motto was to set up a minimum infrastructure for imparting higher education to young students who were mostly first-generation learners coming from economically backward strata of the society. The effort was soon acknowledged by the Government of West Bengal, and in the year of its inception the University of Burdwan accorded affiliation to the college as a co-educational institution for higher studies.

The Academic activities of the College were inaugurated in 1981 with only B.A. General Course of studies in Bengali, English, History, Philosophy, Sanskrit, Political science and Economics with few students. In 1985 B.com General Course was introduced and 1996 onwards Honours Courses of studies in the aforesaid disciplines were made accessible to the students.

The College, which was born an unknown sapling upon the mining crags of Ukhra and Andal, far away from the glitter of the metropolis, may now boast of holding fourteen Major Courses of studies in its branches by the side of twenty Minor courses of studies to enrich its foliage. This has become possible as a consequence of the combined efforts rendered by the Teachers, the Students, the local people and each and every staff member of the institutional family.

Khandra College received its Assessment and Accreditation by NAAC for the First Cycle in the year 2007. Our efforts were once more acknowledged when we received accreditation by NAAC for the second cycle in 2018. Now we are looking forward to a newer dimension in our attempts to embrace the NEP 2020 guidelines in imparting Higher Education to our students through various academic, administrative and co-curricular activities.

SUB.: SUBMISSION OF REPORT REGARDING FEEDBACK ANALYSIS

Sir,

I do hereby submit the report of the IQAC, Khandra College, regarding the collection and analysis of students' and teachers' feedback for the academic session 2022-23.

While the feedbacks primarily underscore the satisfactory functioning of the college in academic and administrative affairs, there is room for further improvement in the following sectors:

1. Smart Classroom to be constructed
2. Department libraries to be strengthened
3. Leave Management System (LMS) can be linked with the ERP
4. Infrastructure – extra classrooms can be constructed
5. Internship and collaborative courses can be introduced
6. Life Skills and Social Skills courses can be introduced for the mentoring process
7. Mentor-mentee interaction to be strengthened
8. Auditorium for the college needs to be constructed
9. New faculty in the Department of Science and Media and Communication needs to be appointed
10. Innovative initiatives like organizing science fairs, etc. can be conducted.

This is for your kind information and official record.

Thanking you
Yours Faithfully

Dr. Abhishek Bhattacharya
(Teacher-in-Charge)
