ABOUT THE COLLEGE

Khandra College, a co-educational institution imparting higher education, is located at Khandra, Dist. Paschim Bardhaman, West Bengal (Lat-23° 06’ 33’’ N & Long-87° 22’ 0’’ E). The college was established in 1981 under the leadership of the late Amalendu Bakshi, a local Philanthrope, to cater higher education among the boys and girls of the surrounding area. The primary motto of the college was to set up a minimum infrastructure for imparting higher education to young students who were mostly first-generation learners coming from economically backward strata of the society. The effort was soon acknowledged by the Government of West Bengal, and in the year of its inception, the University of Burdwan accorded affiliation to the college as a co-educational institution for higher studies.

The Academic activities of the College were inaugurated in 1981 with only B.A. General Course of studies in Bengali, English, History, Philosophy, Sanskrit, Political science and Economics with few students. In 1985, the B.Com General Course was introduced, and from 1996 onwards Honours Courses of studies in the aforementioned disciplines were made accessible to the students.

The College, which was born an unknown sapling upon the mining crags of Ukhra and Andal, far away from the glitter of the metropolis, may now boast of holding fourteen Major Courses of studies in its branches by the side of twenty Minor courses of studies to enrich its foliage. This has become possible as

consequence of the combined efforts rendered by the Teachers, the Students, the local people and each and every staff member of the institutional family.

Khandra College received its Assessment and Accreditation by NAAC for the First Cycle in the year 2007. Our efforts were once more acknowledged when we received accreditation from NAAC for the second cycle in 2018. Now we are looking forward to a newer dimension in our attempts to embrace the NEP 2020 guidelines in imparting Higher Education to our students through various academic, administrative and co-curricular activities.

DEPARTMENT OF ENGLISH,
KHANDRA COLLEGE (K.N.U.),

ABOUT THE COLLEGE

Khandra College, a co-educational institution imparting higher education, is located at Khandra, Dist. Paschim Bardhaman, West Bengal (Lat-23° 06' 33'' N & Long-87° 22' 0'' E). The college was established in 1981 under the leadership of the late Amalendu Bakshi, a local Philanthrope, to cater higher education among the boys and girls of the surrounding area. The primary motto of the college was to set up a minimum infrastructure for imparting higher education to young students who were mostly first-generation learners coming from economically backward strata of the society. The effort was soon acknowledged by the Government of West Bengal, and in the year of its inception, the University of Burdwan accorded affiliation to the college as a co-educational institution for higher studies.

The Academic activities of the College were inaugurated in 1981 with only B.A. General Course of studies in Bengali, English, History, Philosophy, Sanskrit, Political science and Economics with few students. In 1985, the B.Com General Course was introduced, and from 1996 onwards Honours Courses of studies in the aforementioned disciplines were made accessible to the students.

The College, which was born an unknown sapling upon the mining crags of Ukhra and Andal, far away from the glitter of the metropolis, may now boast of holding fourteen Major Courses of studies in its branches by the side of twenty Minor courses of studies to enrich its foliage. This has become possible as a

consequence of the combined efforts rendered by the Teachers, the Students, the local people and each and every staff member of the institutional family.

Khandra College received its Assessment and Accreditation by NAAC for the First Cycle in the year 2007. Our efforts were once more acknowledged when we received accreditation from NAAC for the second cycle in 2018. Now we are looking forward to a newer dimension in our attempts to embrace the NEP 2020 guidelines in imparting Higher Education to our students through various academic, administrative and co-curricular activities.

ABOUT THE COLLEGE

Khandra College, a co-educational institution imparting higher education, is located at Khandra, Dist. Paschim Bardhaman, West Bengal (Lat-23° 06' 33'' N & Long-87° 22' 0'' E). The college was established in 1981 under the leadership of late Amalendu Bakshi, a local Philanthrope, to cater higher education among the boys and girls of the surrounding area. The primary motto was to set up a minimum infrastructure for imparting higher education to young students who were mostly first-generation learners coming from economically backward strata of the society. The effort was soon acknowledged by the Government of West Bengal, and in the year of its inception the University of Burdwan accorded affiliation to the college as a co-educational institution for higher studies. The Academic activities of the College were inaugurated in 1981 with only B.A. General course of studies in Bengali, English, History, Philosophy, Sanskrit, Political science and Economics with few students. In 1985 B.com General course was introduced, and 1996 onwards Honours Courses of studies in the aforestated disciplines were made accessible to the students. The College, which was born an unknown sapling upon the mining crags of Ukhra and Andal, far away from the glitter of the metropolis, may now boast of holding fourteen Major Courses of studies in its branches by the side of twenty Minor courses of studies to enrich its foliage. This has become possible as a consequence of the combined efforts rendered by the Teachers, the Students, the local people and each and every staff member of the institutional family. Khandra College received its Assessment and Accreditation by NAAC for the First Cycle in the year 2007. Our efforts were once more acknowledged when we received accreditation by NAAC for the second cycle in 2018. Now we are looking forward to a newer dimension in our attempts to embrace the NEP 2020 guidelines in imparting Higher Education to our students through various academic, administrative and co-curricular activities.

KHANDRA COLLEGE (Affiliated to Kazi Nazrul University)

ABOUT THE COLLEGE

Khandra College, a co-educational institution imparting higher education, is located at Khandra, Dist. Paschim Bardhaman, West Bengal (Lat-23° 06' 33" N & Long-87° 22' 0" E). The college was established in 1981 under the leadership of late Amalendu Bakshi, a local Philanthrope, to cater higher education among the boys and girls of the surrounding area. The primary motto was to set up a minimum infrastructure for imparting higher education to young students who were mostly first-generation learners coming from economically backward strata of the society. The effort was soon acknowledged by the Government of West Bengal, and in the year of its inception the University of Burdwan accorded affiliation to the college as a co-educational institution for higher studies. The Academic activities of the College were inaugurated in 1981 with only B.A. General course of studies in Bengali, English, History, Philosophy, Sanskrit, Political science and Economics with few students. In 1985 B.com General course was introduced, and 1996 onwards Honours Courses of studies in the aforestated disciplines were made accessible to the students. The College, which was born an unknown sapling upon the mining crags of Ukhra and Andal, far away from the glitter of the metropolis, may now boast of holding fourteen Major Courses of studies in its branches by the side of twenty Minor courses of studies to enrich its foliage. This has become possible as a consequence of the combined efforts rendered by the Teachers, the Students, the local people and each and every staff member of the institutional family. Khandra College received its Assessment and Accreditation by NAAC for the First Cycle in the year 2007. Our efforts were once more acknowledged when we received accreditation by NAAC for the second cycle in 2018. Now we are looking forward to a newer dimension in our attempts to embrace the NEP 2020 guidelines in imparting Higher Education to our students through various academic, administrative and co-curricular activities.

ABOUT THE COLLEGE

Khandra College, a co-educational institution imparting higher education, is located at Khandra, Dist. Paschim Bardhaman, West Bengal (Lat-23° 06' 33'' N & Long-87° 22' 0'' E). The college was established in 1981 under the leadership of the late Amalendu Bakshi, a local Philanthrope, to cater higher education among the boys and girls of the surrounding area. The primary motto of the college was to set up a minimum infrastructure for imparting higher education to young students who were mostly first-generation learners coming from economically backward strata of the society. The effort was soon acknowledged by the Government of West Bengal, and in the year of its inception, the University of Burdwan accorded affiliation to the college as a co-educational institution for higher studies.

The Academic activities of the College were inaugurated in 1981 with only B.A. General Course of studies in Bengali, English, History, Philosophy, Sanskrit, Political science and

Economics with few students. In 1985, the B.Com General Course was introduced, and from 1996 onwards Honours Courses of studies in the aforementioned disciplines were made accessible to the students.

The College, which was born an unknown sapling upon the mining crags of Ukhra and Andal, far away from the glitter of the metropolis, may now boast of holding fourteen Major Courses of studies in its branches by the side of twenty Minor courses of studies to enrich its foliage. This has become possible as a consequence of the combined efforts rendered by the Teachers, the Students, the local people and each and every staff member of the institutional family.

Khandra College received its Assessment and Accreditation by NAAC for the First Cycle in the year 2007. Our efforts were once more acknowledged when we received accreditation from NAAC for the second cycle in 2018. Now we are looking forward to a newer dimension in our attempts to embrace the NEP 2020 guidelines in imparting Higher Education to our students through various academic, administrative and co-curricular activities.

ABOUT THE COLLEGE

Khandra College, a co-educational institution imparting higher education, is located at Khandra, Dist. Paschim Bardhaman, West Bengal (Lat-23° 06’ 33’’ N & Long-87° 22’ 0’’ E). The college was established in 1981 under the leadership of the late Amalendu Bakshi, a local Philanthrope, to cater higher education among the boys and girls of the surrounding area. The primary motto of the college was to set up a minimum infrastructure for imparting higher education to young students who were mostly first-generation learners coming from economically backward strata of the society. The effort was soon acknowledged by the Government of West Bengal, and in the year of its inception, the University of Burdwan accorded affiliation to the college as a co-educational institution for higher studies.

The Academic activities of the College were inaugurated in 1981 with only B.A. General Course of studies in Bengali, English, History, Philosophy, Sanskrit, Political science and Economics with few students. In 1985, the B.Com General Course was introduced, and from 1996 onwards Honours Courses of studies in the aforementioned disciplines were made accessible to the students.

The College, which was born an unknown sapling upon the mining crags of Ukhra and Andal, far away from the glitter of the metropolis, may now boast of holding fourteen Major Courses of studies in its branches by the side of twenty Minor courses of studies to enrich its foliage. This has become possible as

consequence of the combined efforts rendered by the Teachers, the Students, the local people and each and every staff member of the institutional family.

Khandra College received its Assessment and Accreditation by NAAC for the First Cycle in the year 2007. Our efforts were once more acknowledged when we received accreditation from NAAC for the second cycle in 2018. Now we are looking forward to a newer dimension in our attempts to embrace the NEP 2020 guidelines in imparting Higher Education to our students through various academic, administrative and co-curricular activities.

ABOUT THE COLLEGE

Khandra College, a co-educational institution imparting higher education, is located at Khandra, Dist. Paschim Bardhaman, West Bengal (Lat-23° 06’ 33’’ N & Long-87° 22’ 0’’ E). The college was established in 1981 under the leadership of the late Amalendu Bakshi, a local Philanthrope, to cater higher education among the boys and girls of the surrounding area. The primary motto of the college was to set up a minimum infrastructure for imparting higher education to young students who were mostly first-generation learners coming from economically backward strata of the society. The effort was soon acknowledged by the Government of West Bengal, and in the year of its inception, the University of Burdwan accorded affiliation to the college as a co-educational institution for higher studies.

The Academic activities of the College were inaugurated in 1981 with only B.A. General Course of studies in Bengali, English, History, Philosophy, Sanskrit, Political science and Economics with few students. In 1985, the B.Com General Course was introduced, and from 1996 onwards Honours Courses of studies in the aforementioned disciplines were made accessible to the students.

The College, which was born an unknown sapling upon the mining crags of Ukhra and Andal, far away from the glitter of the metropolis, may now boast of holding fourteen Major Courses of studies in its branches by the side of twenty Minor courses of studies to enrich its foliage. This has become possible as a consequence of the combined efforts rendered by the Teachers, the Students, the local people and each and every staff member of the institutional family.

Khandra College received its Assessment and Accreditation by NAAC for the First Cycle in the year 2007. Our efforts were once more acknowledged when we received accreditation from NAAC for the second cycle in 2018. Now we are looking forward to a newer dimension in our attempts to embrace the NEP 2020 guidelines in imparting Higher Education to our students through various academic, administrative and co-curricular activities.

AN AWARENESS ABOUT VEDIC SOCIETY

A CERTIFICATE COURSE

SESSION: 2019 – 2020

ORGANIZED BY

DEPARTMENT OF SANSKRIT,

KHANDRA COLLEGE, KAZI NAZRUL UNIVERSITY, ASANSOL

KHANDRA, PASCHIM BARDHAMAN.

ABOUT THE COLLEGE

Khandra College, a co-educational institution imparting higher education, is located at Khandra, Dist. Paschim Bardhaman, West Bengal (Lat-23° 06’ 33’’ N & Long-87° 22’ 0’’ E). The college was established in 1981 under the leadership of the late Amalendu Bakshi, a local Philanthrope, to cater higher education among the boys and girls of the surrounding area. The primary motto of the college was to set up a minimum infrastructure for imparting higher education to young students who were mostly first-generation learners coming from economically backward strata of the society. The effort was soon acknowledged by the Government of West Bengal, and in the year of its inception, the University of Burdwan accorded affiliation to the college as a co-educational institution for higher studies.

The Academic activities of the College were inaugurated in 1981 with only B.A. General Course of studies in Bengali, English, History, Philosophy, Sanskrit, Political science and Economics with few students. In 1985, the B.Com General Course was introduced, and from 1996 onwards Honours Courses of studies in the aforementioned disciplines were made accessible to the students.

The College, which was born an unknown sapling upon the mining crags of Ukhra and Andal, far away from the glitter of the metropolis, may now boast of holding fourteen Major Courses of studies in its branches by the side of twenty Minor courses of studies to enrich its foliage. This has become possible as a ABOUT THE COLLEGE consequence of the combined efforts rendered by the Teachers, the Students, the local people and each and every staff member of the institutional family.

Khandra College received its Assessment and Accreditation by NAAC for the First Cycle in the year 2007. Our efforts were once more acknowledged when we received accreditation from NAAC for the second cycle in 2018. Now we are looking forward to a newer dimension in our attempts to embrace the NEP 2020 guidelines in imparting Higher Education to our students through various academic, administrative and co-curricular activities.

ABOUT THE CERTIFICATE COURSE

The term "Vedic Society" typically refers to the ancient Indian civilization that flourished during the Vedic period, which is believed to have lasted from around 1500 BCE to 500 BCE. The Vedas, ancient scriptures of Hinduism, are the primary texts associated with this period.

In modern times, there are various certificate courses available that focus on different aspects of Vedic knowledge, ranging from Vedic literature and philosophy to Vedic astrology, Ayurveda, and meditation practices. These courses are often designed to provide participants with an understanding of Vedic principles and practices and their relevance in contemporary life.

The content and structure of such certificate courses can vary widely depending on the institution offering them. Some may be more academically oriented, providing a historical and philosophical overview of the Vedic tradition, while others may focus on practical applications such as yoga, meditation, or Ayurvedic healing techniques.

Before enrolling in any certificate course on Vedic society or related subjects, it's essential to research the curriculum, the credentials of the instructors, and the reputation of the institution offering the course to ensure that it aligns with your interests and learning goals. Additionally, considering the cultural and religious significance of the Vedic tradition, it's important to approach the subject with sensitivity and respect for its cultural context.

ABOUT THE COLLEGE

Khandra College, a co-educational institution imparting higher education, is located at Khandra, Dist. Paschim Bardhaman, West Bengal (Lat-23° 06’ 33’’ N & Long-87° 22’ 0’’ E). The college was established in 1981 under the leadership of the late Amalendu Bakshi, a local Philanthrope, to cater higher education among the boys and girls of the surrounding area. The primary motto of the college was to set up a minimum infrastructure for imparting higher education to young students who were mostly first-generation learners coming from economically backward strata of the society. The effort was soon acknowledged by the Government of West Bengal, and in the year of its inception, the University of Burdwan accorded affiliation to the college as a co-educational institution for higher studies.

The Academic activities of the College were inaugurated in 1981 with only B.A. General Course of studies in Bengali, English, History, Philosophy, Sanskrit, Political science and Economics with few students. In 1985, the B.Com General Course was introduced, and from 1996 onwards Honours Courses of studies in the aforementioned disciplines were made accessible to the students.

The College, which was born an unknown sapling upon the mining crags of Ukhra and Andal, far away from the glitter of the metropolis, may now boast of holding fourteen Major Courses of studies in its branches by the side of twenty Minor courses of studies to enrich its foliage. This has become possible as a consequence of the combined efforts rendered by the

Teachers, the Students, the local people and each and every staff member of the institutional family.

Khandra College received its Assessment and Accreditation by NAAC for the First Cycle in the year 2007. Our efforts were once more acknowledged when we received accreditation from NAAC for the second cycle in 2018. Now we are looking forward to a newer dimension in our attempts to embrace the NEP 2020 guidelines in imparting Higher Education to our students through various academic, administrative and co-curricular activities.

ABOUT THE COLLEGE

Khandra College, a co-educational institution imparting higher education, is located at Khandra, Dist. Paschim Bardhaman, West Bengal (Lat-23° 06' 33'' N & Long-87° 22' 0'' E). The college was established in 1981 under the leadership of the late Amalendu Bakshi, a local Philanthrope, to cater higher education among the boys and girls of the surrounding area. The primary motto of the college was to set up a minimum infrastructure for imparting higher education to young students who were mostly first-generation learners coming from economically backward strata of the society. The effort was soon acknowledged by the Government of West Bengal, and in the year of its inception, the University of Burdwan accorded affiliation to the college as a co-educational institution for higher studies.

The Academic activities of the College were inaugurated in 1981 with only B.A. General Course of studies in Bengali, English, History, Philosophy, Sanskrit, Political science and Economics with few students. In 1985, the B.Com General Course was introduced, and from 1996 onwards Honours Courses of studies in the aforementioned disciplines were made accessible to the students.

The College, which was born an unknown sapling upon the mining crags of Ukhra and Andal, far away from the glitter of the metropolis, may now boast of holding fourteen Major Courses of studies in its branches by the side of twenty Minor courses of studies to enrich its foliage. This has become possible as a

consequence of the combined efforts rendered by the Teachers, the Students, the local people and each and every staff member of the institutional family.

Khandra College received its Assessment and Accreditation by NAAC for the First Cycle in the year 2007. Our efforts were once more acknowledged when we received accreditation from NAAC for the second cycle in 2018. Now we are looking forward to a newer dimension in our attempts to embrace the NEP 2020 guidelines in imparting Higher Education to our students through various academic, administrative and co-curricular activities.

ABOUT THE CERTIFICATE COURSE

Effective communication stands as the cornerstone of success in the professional realm, with proficiency in English serving as a potent catalyst for advancement. In today's globalized world, where borders blur and diversity flourishes, the ability to articulate ideas, collaborate seamlessly, and navigate cultural nuances in English empowers individuals to thrive in their careers and unlock new opportunities. From conveying project updates in a team meeting, and negotiating contracts with international clients, to delivering presentations to stakeholders, the clarity and precision offered by the English language play a pivotal role. A well-crafted email, a persuasive pitch, or a compelling report—all rely on proficiency in English to convey messages accurately and leave lasting impressions.

Effective communication in English encompasses active listening, empathy, and adaptability. In multicultural workplaces, where diversity is celebrated, the ability to understand and appreciate different perspectives fosters collaboration and strengthens relationships. By mastering the nuances of English, individuals can navigate complex dynamics, resolve conflicts amicably, and foster a culture of inclusivity and respect.

The significance of effective communication in English is greatly amplified in the digital arena, where virtual collaboration is the norm. With remote work becoming increasingly prevalent, the ability to communicate clearly and concisely in written English—whether through emails, instant messages, or collaborative documents—is indispensable. In job interviews, candidates who can articulate their qualifications, experiences, and aspirations eloquently in English often leave a lasting impression on recruiters. From fostering collaboration and driving productivity to advancing careers and expanding networks, proficiency in English empowers individuals to navigate the complexities of the modern workplace with confidence and agility. KHANDRA COLLEGE (Affiliated to Kazi Nazrul University)

ABOUT THE COLLEGE

Khandra College, a co-educational institution imparting higher education, is located at Khandra, Dist. Paschim Bardhaman, West Bengal (Lat-23° 06' 33'' N & Long-87° 22' 0'' E). The college was established in 1981 under the leadership of late Amalendu Bakshi, a local Philanthrope, to cater higher education among the boys and girls of the surrounding area. The primary motto was to set up a minimum infrastructure for imparting higher education to young students who were mostly first-generation learners coming from economically backward strata of the society. The effort was soon acknowledged by the Government of West Bengal, and in the year of its inception the University of Burdwan accorded affiliation to the college as a co-educational institution for higher studies. The Academic activities of the College were inaugurated in 1981 with only B.A. General course of studies in Bengali, English, History, Philosophy, Sanskrit, Political science and Economics with few students. In 1985 B.com General course was introduced, and 1996 onwards Honours Courses of studies in the aforestated disciplines were made accessible to the students. The College, which was born an unknown sapling upon the mining crags of Ukhra and Andal, far away from the glitter of the metropolis, may now boast of holding fourteen Major Courses of studies in its branches by the side of twenty Minor courses of studies to enrich its foliage. This has become possible as a consequence of the combined efforts rendered by the Teachers, the Students, the local people and each and every staff member of the institutional family. Khandra College received its Assessment and Accreditation by NAAC for the First Cycle in the year 2007. Our efforts were once more acknowledged when we received accreditation by NAAC for the second cycle in 2018. Now we are looking forward to a newer dimension in our attempts to embrace the NEP 2020 guidelines in imparting Higher Education to our students through various academic, administrative and co-curricular activities.

कॉलेज का मिशन

समावेशी विकास को बढ़ावा देने के लिए पिछड़े वर्गों के विद्यार्थियों और आर्थिक रूप से कमजोर पृष्ठभूमि वाले प्रारंभिक पीढ़ी के शिक्षार्थियों को गुणवत्तापूर्ण शिक्षा प्रदान करना।

विद्यार्थियों को ऐसा वातावरण प्रदान करना जो उन्हें नैतिक रूप से सशक्त और पेशेवर रूप से सक्षम बनाए जिससे वे एक स्वस्थ और समृद्ध समाज में योगदान दे सकें।

विद्यार्थियों में नवीन सोच और रचनात्मकता को प्रोत्साहित करना तथा उनमें अनुसंधान कौशल विकसित करना।

युवा पीढ़ी को एक स्थायी समाज के निर्माण में सहयोग देने के लिए सक्षम बनाना।

प्रमाणपत्र पाठ्यक्रम के विषय में

मानव समाज में भाषा का स्थान सर्वोपरि है। यदि कहें कि मानव समाज की महत्ता भाषा में निहित है तो यह अतिशयोक्ति नहीं होगी क्योंकि केवल मानव ही ऐसा प्राणी है जो अपने ज्ञान को आनेवाले पीढ़ियों तक संचारित कर सकती है एवं उस ज्ञान का विकास कर सकती है और यह केवल भाषा के माध्यम से ही संभव है। वाक् कला एक मनुष्य के व्यक्तिगत जीवन में विशिष्ट स्थान रखती है क्योंकि अपनी वाक् क्षमता पर ही कोई व्यक्ति अपने विचारों, अवधारणाओं, आवेगों, भावनाओं को प्रभावी रूप से अभिव्यक्त कर सकता है। यह एक ऐसा माध्यम है जिससे आप दूसरों को सकारात्मक ढंग से प्रभावित कर सकते हैं। वाक् कला में निपुणता से आपमें आत्मविश्वास आता है और आप व्यवहारिक रूप से सभी क्षेत्र में आगे बढ़ सकते हैं।

इस दिशा में हमारे समाज में यदि हिन्दी भाषा की महत्ता पर विचार करें तो पता चलता है कि भारत जैसे विशाल देश में जहाँ भाषा की भरमार है, जहाँ एक राज्य से दूसरे राज्य में भाषा बदल जाती है, वहाँ इस देश की एकता और अखंडता को बचाए रखने में हिन्दी की अभूतपूर्व भूमिका है। हमारे पास अंतिम जनगणना की रिपोर्ट वर्ष 2011 की उपलब्ध है जिसके अनुसार हिन्दी को प्रथम, द्वितीय और तृतीय भाषा के रूप में भारत की कुल आबादी की 57.09% जनसंख्या समझ सकती है, अर्थात आप हिन्दी के माध्यम से अपने देश में अधिकतम लोगों से जुड़ सकते हैं। वस्तुतः हिन्दी हमारे देश की संपर्क भाषा है, कहने का तात्पर्य है कि यदि आप हिन्दी बोलना और समझना जानते हैं तो भारत के लगभग सभी प्रांतों में जीवनयापन कर सकते हैं। इसीलिए गुरु रवीन्द्रनाथ ने हिन्दी की महत्ता को रेखांकित करते हुए कहा है कि "भारतीय भाषाएं नदियां हैं और हिन्दी महानदी।"

इस पाठ्यक्रम के माध्यम से विद्यार्थियों को वाक् कला में निपुण बनाना है ताकि वे जीवन के हर क्षेत्र में प्रभावी रूप से आगे बढ़ सके। चाहे सरकारी एवं गैर-सरकारी नौकरी हो या व्यवसाय, सभी स्थान पर भाषा का विशेष महत्व है। अतः विद्यार्थियों को व्याकरणिक और भाषिक दृष्टि से सुदृढ़ बनाना है ताकि वे बोलने, पढ़ने और लिखने में

सक्षम हो सके। वे प्रभावी ढंग से साक्षात्कार दे सके, पत्र लिख सके, ई-मेल भेज सके और व्यावसायिक दृष्टि से समुचित वार्तालाप कर सके और जीवन के सभी क्षेत्र में सफल हो सके।

KHANDRA COLLEGE (Affiliated to Kazi Nazrul University)

ABOUT THE COLLEGE

Khandra College, a co-educational institution imparting higher education, is located at Khandra, Dist. Paschim Bardhaman, West Bengal (Lat-23° 06' 33'' N & Long-87° 22' 0'' E). The college was established in 1981 under the leadership of late Amalendu Bakshi, a local Philanthrope, to cater higher education among the boys and girls of the surrounding area. The primary motto was to set up a minimum infrastructure for imparting higher education to young students who were mostly first-generation learners coming from economically backward strata of the society. The effort was soon acknowledged by the Government of West Bengal, and in the year of its inception the University of Burdwan accorded affiliation to the college as a co-educational institution for higher studies. The Academic activities of the College were inaugurated in 1981 with only B.A. General course of studies in Bengali, English, History, Philosophy, Sanskrit, Political science and Economics with few students. In 1985 B.com General course was introduced, and 1996 onwards Honours Courses of studies in the aforestated disciplines were made accessible to the students. The College, which was born an unknown sapling upon the mining crags of Ukhra and Andal, far away from the glitter of the metropolis, may now boast of holding fourteen Major Courses of studies in its branches by the side of twenty Minor courses of studies to enrich its foliage. This has become possible as a consequence of the combined efforts rendered by the Teachers, the Students, the local people and each and every staff member of the institutional family. Khandra College received its Assessment and Accreditation by NAAC for the First Cycle in the year 2007. Our efforts were once more acknowledged when we received accreditation by NAAC for the second cycle in 2018. Now we are looking forward to a newer dimension in our attempts to embrace the NEP 2020 guidelines in imparting Higher Education to our students through various academic, administrative and co-curricular activities.

ABOUT THE COURSE

Statistics is used to mean numerical data arising in any domain of human experience, or rising from a host of uncontrolled and unidentified causes acting collectively. Statistics has its widespread use in the daily life encompassing data science, business, planning, research, psychology, social science, trade, health industry, government organisation, weather forecasting, engineering, sports, science and technology, cyber security, transportation and logistics etc. Statistics is a set of equations that permits to solve complex problems based on facts and figures. It helps in compilation of the data and makes some sense out of the raw data in the form of useful information. Statistical knowledge helps to use the proper techniques to accumulate the data, employ the appropriate analyses, and effectively present the results. The figures help to make predictions about the future. Moreover it detects the external and internal factors that crucially affect the accuracy of the predictions.

COURSE OBJECTIVES

This certificate course delves into the multi-dimensional applications of statistics, highlighting on how this mathematical discipline sketches our understanding of the world.

The major aim of this Certificate course is to cater the issues, such as:

- Role of Statistics in matters of state, business and commerce, sciences, and agriculture
- Different statistical approaches mainly focusing on univariate data
- Data analysis of numerical data using statistical methods
- Using MS-Excel to solve Statistical problems

COURSE DURATION

30 hours over the course of 3 months. Classes will be held after college hours.

ABOUT THE CERTIFICATE COURSE

পশ্চিমবঙ্গের অধিকাংশ বাসিন্দা বাংলা ভাষায় কথা বলেন। তাঁরা তাঁদের জানার বিষয়, বাংলা ভাষায় পড়তে ও শুনতে পছন্দ করেন।

সেকারণে, বাংলায় থাকা ছাত্রছাত্রীদের মাতৃভাষা বাংলা হলে বা না হলেও পেশার জগতে তাদের গ্রাহকের সাথে যোগাযোগ করার জন্য, বাংলা ভাষাকেই ব্যাবহার করার প্রয়োজন।

সাংবাদিকতা বা অন্যান্য চাকরীর জগতে বাংলা ভাষা মৌখিক বা লিখিতভাবে ব্যাবহারের বেশ কিছু নিয়মবিধি রয়েছে। সেইসঙ্গে, বিভিন্ন পেশায়, গ্রাহকদের বিষয়টি যথাযথভাবে বোঝানোর জন্যও ভাষা ব্যাবহারের নির্দিষ্ট কিছু রীতিনীতি মানা প্রয়োজন।

ভাষা ব্যাবহারের এইসব নিয়ম ও রীতিপদ্ধতিগুলি না জানা থাকলে, ভবিষ্যতের পেশার জগতে, আজকের ছাত্রছাত্রীরা পিছিয়ে পড়তে বাধ্য। সেই সমস্যার দূরীকরণের জন্যই বিভিন্ন পেশার ক্ষেত্রে বাংলাভাষা ব্যাবহারের বিভিন্ন রীতিনীতি সেখানোর পরিকল্পনা করা হয়েছে এই কোর্সটিতে।
