1 Background

[Khondra College]

Khondra College, co-educational institution imparting higher education, is located at Khondra, Dist. Paschim Bardhaman, West Bengal. The college was established in 1981 under the leadership of Late Anandendu Bakshi, a local Philanthropist, to cater higher education among the boys and girls of the surrounding area, who were mostly first generation learners. The effort was soon acknowledged by the Government of West Bengal, and in the year of its inception the University of Burdwan accorded affiliation to the college as a co-educational institution for higher studies.

The Academic activities of the college were inaugurated in 1981 with only B.A General course of studies in Bengali, English, History, Philosophy, Sanskrit, Political Science and Economics with few students. In 1985, B.Com General Course was introduced, and 1998 onwards Honours Course of studies in the above stated disciplines were made accessible to the students. The College which was born an unknown coping upon the mining crisis of Odisha and Andhra, far away from the glitter of the metropolis, may now boast of holding fourteen Honours courses of study in its branches by the side of eighteen General courses of study, to enrich its foliage.

Khondra College received its Assessment and Accreditation by MAAC in the First cycle in the year 2007. The next cycle of Accreditation was completed in 2018. The college is now looking forward to a newer dimension of its performance in various spheres of academic, administrative and co-curricular activities.

[Pandaveswar College]

Pandaveswar College, established in 2005, is a college in Pandaveswar Community Development Block, Paschim Bardhaman. It is also situated in one of the major coal belts of West Bengal. The College stands as a beacon of hope for its students, who are primarily first and second generation learners. Since its genesis, Pandaveswar College has taken pride in its journey.

A group of enthusiastic people formed a committee in 1994, taking the initiative to establish the College. On the bright morning of February 8, 2005, the foundation stone was laid by the villagers, a few businessmen and by the staff, the executives of GCL, Pandaveswar CD Block. The college is trying to spread education among all sections of society to help them transform into sensible and worthy citizens, to contribute to the welfare of this country. Primarily, the College aims to provide quality education to students for their ultimate betterment and success. With the guidance of the teachers and the staff, the College is committed to supporting every agenda to instil moral values and ethics in our students. With the invaluable insights of our beloved Principal, Dr. Jayanta Mukherjee, the college aspires to nurture the dream of evolving as one of the best teaching-learning institutions for the days to come. Our mission is to create a healthy ambience for our students, making them diligent and innovative. Through our career counselling program, we wish them to excel in higher education, acquire seats in their preferred jobs and develop other ideas to make a healthy living. Our esteemed faculty members compassionately impart actual knowledge of education and ethics to our students.

Most importantly, the institution intends to take care of the mental health of its teachers, staff and students by creating a positive atmosphere on the College premises. We are determined to teach our students to dream big and help them find their wings to fly. The College symbolically shares Upanishad's dream of a better world by spreading the light of education. Let us take an oath to improve the future with Alfred Tennyson's lines: "To strive, to seek, to find, and not to yield."

(Sri Ramkrishna Sarada Vidya Mahapitha)

Sri Ramkrishna Sarada Vidya Mahapitha was set up in the serene location of Kamarpukur, the birth place of Sri Ramkrishnadeva, in the year 1959. The project was the result of a pioneering effort of two stalwarts, Sri Prafulla Chandra Sen and Dr. Bimala Kanta Mukhopadhyaya, the sole purpose being the spread of higher education in the rural backdrops of Bengal. Since its inception to its present status, Sri Ramkrishna Sarada Vidya Mahapitha has come a long way and has carved out a niche for itself in its aim of imparting quality education to young people for whom the city lights are often a distant dream. The College today has a capacity of about 4000 students engaged in fifteen academic streams, eleven in the Arts section and five in the Science section. Over the years the College has come to acquire a name for itself in its academic pursuits amongst the Colleges under the University of Burdwan.
