#### Introduction

Every Year the students of the Geography department have to submit projects to the concerned departments for evaluation while this is an integral aspect of curriculum framed by the affiliating University. Such projects and their successful execution make the students more focused on their study and also provide them with some primary glimpses of rigorous research in their future life. The teachers of the Department do understand the necessity of conducting such programmes with the students and they are always committed to stand by their beloved students for doubt clearing, resolution of complex issues and evaluation.

#### **Objectives**

- \* Making the students more focused on study
- \* Giving them a scope for practical application of knowledge.
- \* Making them more research oriented.
- \* Improving the mentor-mentee interaction through doubt clearing and question-answer session.

#### Duration

One month (120hours) {including selection of topic discussion and demonstration by the concerned teacher(s),

Distribution of assignment, library work, preparing bibliography, taking/collecting secondary data/photographs samples wherever necessary, doubt clearing and question-answer sessions, presentations by student(s), evaluation.
